

Curriculum Vitae

Charles Cannon Edwards II, M.D.

Revised November 2018

Personal: Address: 308 North Wind Road, Ruxton, Maryland 21204
Telephone: (443) 676-3757
Born: June 24, 1970
Children: Elizabeth, Bonnie, Charlie & Timothy
Married: Ann Barton Edwards

Education: Fellow, Spine Surgery, Maryland Spine Center
Baltimore, Maryland, August 2002 – Dec. 2002

Fellow, Spine Surgery, Washington University
St. Louis, Missouri, August 2001 – July 2002

Resident, Orthopaedic Surgery, Emory University
Atlanta, Georgia, July 1996- June 2001

M.D., University of Maryland, School of Medicine
Baltimore, Maryland, September 1992- May 1996

B.A., Chemistry with Honors in Engineering
Washington and Lee University, Lexington, Virginia
August 1988- June 1992

Honors/Awards:

Residency:

- First Place, Resident Paper Competition, Georgia Orthopaedic Society Annual Meeting 2000, Laminoplasty versus Laminectomy and Fusion for the Management of Cervical Myelopathy, An Independent Matched Cohort Analysis
- Mario Boni Award for the Outstanding Paper, European Cervical Spine Research Society Annual Meeting, London, England, June, 2000: Laminoplasty versus Laminectomy and Fusion ...
- Best Paper, Emory Resident Research Day 2000: Laminoplasty versus Laminectomy and Fusion ...
- Best Resident/ Fellow Paper, Clinical Orthopaedic Society Annual Meeting 1999, T- Saw Laminoplasty for the Management of Cervical Spondylotic Myelopathy: Clinical and Radiographic Outcome.
- Best Paper, Emory Resident Research Day 1999: T-Saw Laminoplasty ...
- Elected Representative, Resident- Faculty Advisory Panel: 1997-1998, 1998-1999, 1999-2000
- OITE 1999: 95th percentile for year in training

- OITE 1998: 94th percentile for year in training

Medical School:

- * Alpha Omega Alpha
- * Sigma Chi Scholarship in Medicine

College:

- * Phi Beta Kappa
- * Omicron Delta Kappa
- * Magna Cum Laude
- * Sigma Chi Fraternity President (1990-91 and 1991-92)
- * University Scholar- Athlete of the Year Recipient, 1992
- * School Record Holder 10,000 meter run

Other:

- * Eagle Scout 1984, Top Scout 1988
- * Marathon completions: Harrisburg 2018 (2:57), New York 2017 (2:54), Berlin 2016 (2:57), Reykjavik 2015 (2:52), Oporto 2014 (2:52 1stAmerican), Budapest 2012 (2:56 – 1st American), Amsterdam 2011 (2:46), Venice 2010 (2:45), Dublin 2009 (2:46, 95th of 13,000), Marine Corps 2008 (2:46 – 56th of 18,261), Chicago 2007 (3:02, 244th of 25,522), Athens 2006 (2:51; 1st American finisher), Baltimore 2006 (2:46, placed 1st in age group), New York 2005 (2:49, placed 273 of 37,000), Boston 2005 (3:06), New York 2004 (2:58), Philadelphia 1996 (2:56), Disney 1995(2:58), Greensboro 1988 (2:40), Birmingham 1989 (2:50)
- * Baltimore Half Marathon: 2009 -1st Place: 35-39 Age Group (1:21:20); 2014 -Masters Champion & 1st place: 40-44 Age Group (1:22:18); 2016 -2nd Place 45-49 Age Group (1:24:39); 2018 – 1st place 45-49 Age Group (1:24:08).
- 2010 Annapolis 10 Mile Run: 1st Place: 40-44 Age Group, 2nd place 2012
- * Baltimore Magazine Top Doctors: listed for Orthopedic Surgery – Spine (2014, 2017, 2018) and featured on Magazine cover (2014)
- * 40 Under 40: A look at the area’s emerging leaders, Honoree, *Baltimore Business Journal*, September 2004
- * 2006 Health Care Hero Finalist: The Daily Record, Baltimore, Maryland *Business Journal*, March 2006.
- Weekly Bible Study/House Church Leader and Host, 2004 – present.
- Middle School Youth Group (Wildfire), Grace Fellowship Church, leader 2011 to present.
- Eagle to Eagle Award Recipient 2015, Gathering of Eagles, Baltimore Areal Council, BSA

Board Certification:

- American Board of Orthopaedic Surgery
 - Part I: Passed - July 2001
 - Part II: Passed – July 2004
 - Recertification – May 2013

Professional Positions:

- The Maryland Spine Center, Mercy Medical Center, Baltimore, Maryland
 - Physician and Partner, 2002-present.
 - Medical Director, 2006 to present.

Civic Board Positions:

- Gilman School, Baltimore, Maryland, Board of Trustees, 2012 to present.
 - Chairman, Health Committee, 2016 – present.
- Cambridge School, Baltimore, Maryland, Board of Trustees, 2012 to 2016.
 - Chairman, Strategic Plan Steering Committee (2012-2013).
 - Chairman of the Board of Trustees (2014-2016)
- Boy Scout Troop 35, Troop Committee Chairman, 2015 – present.
- Grace Fellowship Church, Lead Pastor Search Committee, 2015 – 2016.
- Boy Scouts of America, Baltimore Area Council Spirit of Scouting Award Banquet Chairman, 2015, 2016.

- Selective Thoracic Fusion for Adolescent Idiopathic Scoliosis, eds. Bridwell K, DeWald R, Lipincott, Philadelphia, Pennsylvania: The Textbook of Spine (3rd ed.), Freeman B, **Edwards, C**; Bridwell,K, 2012
- Adolescent Idiopathic Scoliosis: The Current State of the Art, eds. Bridwell K, DeWald R, Lipincott, Philadelphia, Pennsylvania: The Textbook of Spine (3rd ed.), **Edwards, C**; Bridwell,K, 2012.
- Spondylolisthesis: The Current State of the Art, eds. Bridwell K, DeWald R, Lipincott, Philadelphia, Pennsylvania: The Textbook of Spine (3rd ed.), **Edwards C**; Wiedenbaum M, 2012.
- Reduction of High-Grade Spondylolisthesis, eds. Bridwell K, DeWald R, Lipincott, Philadelphia, Pennsylvania: The Textbook of Spine (3rd ed.), Edwards CC, **Edwards C**, 2012.
- Reduction of High-Grade Spondylolisthesis, eds. Vacarro A, Albert T, Thieme, Philadelphia, Pennsylvania: Spinal Surgery: Tricks of the Trade (2nd ed.), **Edwards CC**, Edwards CC, 2008.
- Essentials in Orthopaedics: Spine, eds. Garfin S and Bono C, Lippincott Williams & Wilkins, Baltimore, Maryland: Adult Scoliosis and Sagittal Imbalance, **Edwards CC**, Bridwell KH, 2004.
- Rothman Simeone - The Spine 5th edition, eds Herklowitz HN, et al. W.B. Saunders, Philadelphia, Pennsylvania, Laminoplasty, **Edwards CC**, Heller JG, 2006.
- The Spine- Master Techniques in Orthopaedic Surgery, ed Bradford D, Zdeblick T, Lippincott Williams & Wilkins, Baltimore, Maryland Lumbar Microdiscectomy, McCulloch JA, **Edwards CC**, Riew KD, 2004.

Technique Manual:

- Sacropelvic Fixation: Iliac and Sacral Screw Indications and Placement Technique, Bridwell H, Kuklo T, **Edwards CC**, Lenke LG, Berra A, Medtronic Sofamor Danek, 2004

National Presentations (Podium):

- Surgeon ownership in medical device distribution: does it actually reduce healthcare costs? , American Association of Orthopedic Surgeons Annual Meeting, Las Vegas, NV March 23, 2015.
- Long fusions to the sacrum for adult spinal deformity: How high do you go? The effect on sagittal alignment and outcomes, Scoliosis Research Society, Salt Lake City, Utah, September 2008.
- The changing practice of adult spinal deformity surgery: An emerging new paradigm for surgical approach, staged procedures and fusion levels., Scoliosis Research Society, Salt Lake City, Utah, September 2008.
- Long adult deformity fusions to L5 vs. sacrum/pelvis, Scoliosis Research Society, Edinburgh, Scotland, September 6, 2007. [nominee, Hibbs Award for Best Clinical Paper]
- CT Vacuum Disk Sign: A highly specific predictor of lumbar nonunion, International Meeting on Advanced Spine Techniques, Athens, Greece, July 14, 2006.
- Vertebral Corpectomies reconstructed with titanium mesh cages. American Academy of Orthopaedic Surgeons Annual Meeting, San Francisco, California, February 2004.
- Adult Deformity Fusions to L5 versus the Sacrum: A Matched Cohort Analysis, Scoliosis Research Society Annual Meeting, Quebec City, September 2003. [nominee, Hibbs Award for Best Clinical Paper]
- Pseudarthrosis in Adult Idiopathic Scoliosis Primary Fusions, Scoliosis Research Society Annual Meeting, Quebec City, September 2003.
- Proximal junctional kyphosis in adult spinal deformity following long instrumented posterior spinal fusion: Incidence, risk factors and outcomes, Scoliosis Research Society Annual Meeting, Quebec City, September 2003.
- Adult Deformity Fusions to L5 versus the Sacrum: A Matched Cohort North American Spine Society, Annual Meeting, San Diego, CA, November, 2003.
- Time Dependent Response of the Unfused Lumbar Curve after Selective Thoracic Fusion for AIS: 2-16 Year Radiographic and Clinical Follow-Up., World Spine II, Chicago, Illinois, August, 2003.
- Proximal junctional kyphosis in adult spinal deformity following long instrumented posterior spinal fusion: Incidence, risk factors and outcomes, World Spine II, Chicago, Illinois, August, 2003.
- Time Dependent Response of the Unfused Lumbar Curve after Selective Thoracic Fusion for AIS: 2-16 Year Radiographic and Clinical Follow-Up., Pediatric Orthopaedic Society of North America Annual Meeting, Amelia Island Florida, May, 2003.
- Corpectomy versus Laminoplasty for Multi-Level Cervical Myelopathy: An Independent Matched-Cohort Analysis, Meeting of the Central Japan Association of Orthopaedic Surgery and Traumatology, Kurashiki City,

Japan, Nov. 1, 2002.

- Pseudarthrosis in Adult Idiopathic Scoliosis Primary Fusions; correlation with the domino, cross link, and distal fusion level,. American Academy of Orthopaedic Surgeons, New Orleans, February 5-8, 2003.
- Time Dependent Response of the Unfused Lumbar Curve after Selective Thoracic Fusion for AIS: 2-16 Year Radiographic and Clinical Follow-Up., American Academy of Orthopaedic Surgeons, New Orleans, February 5-8, 2003.
- Thoracolumbar Deformity Arthrodesis to L5 in Adult Scoliotics: The fate of the L5-S1 Disk: Is it protected by a Deep Seated L5?, American Academy of Orthopaedic Surgeons, New Orleans February 5-8, 2003.
- Adult Deformity Fusions to L5 versus the Sacrum: A Matched Cohort Analysis, American Academy of Orthopaedic Surgeons, New Orleans, February 5-8, 2003.
- Accurate Identification of Complications after Spine Surgery: Surgeon's Records vs. Patients Reported Outcome Questionnaire, Cervical Spine Research Society Annual Meeting, Miami FL December 5-7, 2002.
- Accurate Identification of Complications after Spine Surgery: Surgeon's Records vs. Patients Reported Outcome Questionnaire, Scoliosis Research Society Annual Meeting, Seattle, Washington, September 19-22, 2002.
- Time Dependent Response of the Unfused Lumbar Curve after Selective Thoracic Fusion for AIS: 2-16 Year Radiographic and Clinical Follow-Up., Scoliosis Research Society Annual Meeting, Seattle, Washington, September 19-22, 2002.
- Staged posterior surgery for severe adult deformity, Scoliosis Research Society Annual Meeting, Seattle, Washington, September 9-22, 2002

- “T-Saw” Laminoplasty for the Management of Cervical Spondylotic Myelopathy: Clinical and Radiographic Outcome, Cervical Spine Research Society Annual Meeting, Seattle, WA, Dec.16-18, 1999.
- “T-Saw” Laminoplasty for the Management of Cervical Spondylotic Myelopathy: Clinical and Radiographic Outcome, Clinical Orthopaedic Society Annual Meeting, Oct. 6-8, 1999, Orlando, FL.
- The Utility of Admission Urinalysis in Trauma Patients: A Reappraisal of Traditional Practice, American College of Surgeons, Georgia Chapter Annual Meeting, Sea Island, Georgia, March 14, 1997.
- The Utility of Admission Urinalysis in Trauma Patients: A Reappraisal of Traditional Practice, American College of Surgeons, Georgia Committee on Trauma, Annual Meeting, Macon, Georgia, November 8, 1997.
- Laparoscopic Inguinal Hernia Repair: The Effect of the Learning Curve on Peri-Operative Morbidity and Hernia Recurrence, 37th World Congress of Surgery, Acapulco, Mexico, August 21, 1997.

Invited Lectures:

- My Journey of Faith though Medicine: Mercy Medical Center, June 19, 2014.
- Department of Pediatrics Grand Rounds, Mercy Medical Center, Adolescent Idiopathic Scoliosis – The Current State of the Art; May 3, 2013.
- A Primer on Spine Pathology and Management, Anne Arundel Community College Physician Assistant Program, January 25, 2013.
- A Primer on Spine Pathology and Management, Anne Arundel Community College Physician Assistant Program, January 27, 2012.
- A Primer on Spine Pathology and Management, Anne Arundel Community College Physician Assistant Program, February 18, 2011.
- A Career in Medicine, The 2010 Cotton Lecture, Gilman School, Baltimore , Maryland, April 14, 2010.

- A Primer on Spine Pathology and Management, Anne Arundel Community College Physician Assistant Program, March, 2010.
- Sacro-Pelvic Fixation: Biomechanics and Indications, Bethesda Spine Workshop, Bethesda, Maryland, April 19, 2009
- Adult Scoliosis: Selection of Proximal and Distal Fusion Levels; The Role of a Short Segment Fusion, American Academy of Orthopaedic Surgeons Annual Meeting, Instructional Course Lecture, Las Vegas, February, 2009.
- Sacro-Pelvic Fixation: Biomechanics and Indications, Bethesda Spine Workshop, Bethesda, Maryland, April 13, 2008.
- Adult Scoliosis: Selection of Proximal and Distal Fusion Levels; The Role of a Short Segment Fusion, American Academy of Orthopaedic Surgeons Annual Meeting, Instructional Course Lecture, San Francisco, March 2008.
- Adult Scoliosis Debate: Circumferential Fusion is Preferred for the Treatment of Adult Scoliosis, American Academy of Orthopaedic Surgeons Annual Meeting, Instructional Course Lecture, San Francisco, March 2008.
- Sacro-Pelvic Fixation: Biomechanics and Indications, Bethesda Spine Workshop, Bethesda, Maryland, May 8, 2007.
- Evidence Based Medicine for the Treatment of Low Back Pain, Bethesda Spine Workshop, Bethesda, Maryland, June 6, 2006.
- Revision Lumbar Spine Surgery, Diagnostic and Treatment Strategies, Bethesda Spine Workshop, Bethesda, Maryland, June 4, 2006.
- Evidence Based Medicine for the Treatment of Low Back Pain, National Association of Orthopaedic Nurses Annual Meeting, Baltimore Chapter; Baltimore, Maryland, March 26, 2006.
- Evidence Based Medicine for the Treatment of Low Back Pain, Bethesda Spine Workshop, Bethesda, Maryland, June 2, 2005.
- Spine Reconstruction Surgery: *The Second Renaissance*, National Association of Orthopaedic Nurses Annual Meeting, Baltimore Chapter; Baltimore, Maryland, March 26, 2004.
- Cervical Myelopathy: The Great Masquerader, Department of Surgery Grand Rounds, Mercy Medical Center, Baltimore Maryland, November 13, 2003.
- New insights into pain mechanisms, Mercy Medical Center Round Table Discussion, November 5, 2003.
- Diagnostic and treatment strategies for pediatric spinal deformity, The current state of the art, Department of Pediatrics Grand Rounds, Mercy Medical Center, Baltimore Maryland, October 3, 2003.
- 6th Annual Advanced Techniques in Cervical Spine Decompression and Stabilization; Practical Anatomy Workshop, July 12-14, 2002, St Louis Missouri, Faculty.
- Surgical Treatment of Multi-Level Cervical Spondylotic Myelopathy: Laminoplasty, Section on Disorders of the Spine and Peripheral Nerves, American Association of Neurological Surgeons – 18th Annual Meeting, March 2, 2002.

National Presentations (Poster):

- Radiographic measurements in adult spinal deformity: What is the intra-observer reliability?, International Meeting for Advanced Spine Techniques, Paradise Island, Bahamas, July 10-12, 2007.
- Radiographic measurements in adult spinal deformity: What is the inter-observer reliability?, International Meeting for Advanced Spine Techniques, Paradise Island, Bahamas, July 10-12, 2007.
- Accurate Identification of Complications after Spine Surgery: Surgeon's Records vs. Patients Reported Outcome Questionnaire, American Academy of Orthopaedic Surgeons, New Orleans, February 5-8, 2003.
- Comparison of SRS questionnaire results submitted by both parents and patients in the operative treatment of idiopathic scoliosis, American Academy of Orthopaedic Surgeons, New Orleans, February 5-8, 2003.
- Laminoplasty versus Laminectomy and Fusion for the Management of Cervical Myelopathy, An Independent Matched Cohort Analysis, American Academy of Orthopaedic Surgeons Annual Meeting, San Francisco, CA, Feb. 28 – March 3, 2001.
- The Utility of Admission Urinalysis in Trauma Patients: A Reappraisal of Traditional Practice (Poster Presentation), American Association for the Surgery of Trauma Annual Meeting, Sept.9-12, 1998, Baltimore, MD.
- Laparoscopic Inguinal Hernia Repair: The Effect of the Learning Curve on Peri-Operative Morbidity and Hernia Recurrence (Poster Presentation), Society of the American Gastrointestinal and Endoscopic Surgeons, Philadelphia, Pennsylvania, March 13-17, 1996.

Professional Society Memberships:

- American Academy of Orthopaedic Surgeons, Fellow 2004
- Scoliosis Research Society, Member 2003
 - Terminology Committee Member 2004-2007
- Spinal Deformity Study Group Member 2005-2010
 - Adult Deformity Outcomes Subsection 2005 - 2010

Grant Supported Research:

- A Multi-Center Prospective Study of Quality of Life in Adult Scoliosis, National Institutes of Health (funded from 2010 -2017), co-investigator (underway).
- Procrit Administration Prior to Spine Surgery: DVT risk and transfusion prevention, funded 2004- 2006, co-investigator, sponsor: Orthobiotech, a FDA required study. (completed)

Sermon:

- Grace Fellowship Church, Stewardship of Time, September 16, 2012.

- Grace Fellowship Church, God's Redemptive Plan for Work, March 17, 2013.
